Note: Q.2c, 8, 10 and 15-17 should be cited as a *USA Today*/Gallup poll.

Results are based on telephone interviews conducted October 14-17 and October 21-24, 2010, with a random sample of 3,051—adults, aged 18+, living in the continental U.S., selected using random-digit dial sampling.

For results based on the total sample of national adults, one can say with 95% confidence that the margin of error is ±2 percentage points.

For results based on the sample of 2,746-- registe
